Global GreenTag^{Cert™} Ecolabel Program

Products Currently Under Assessment

To whom it may concern:

This letter is to officially inform you that **Muuto** have submitted their Visu Chair, Stool & Lounge Chair, Fiber Chair, Nerd Chair/Bar Stool, Cover Chair with Armrests, Around Coffee Table for Global GreenTag^{Cert™} GreenRate Level C Certification:

**Cover Chair with Armrests, Around Coffee Table
Visu Chair, Stool & Lounge Chair, Nerd Chair/Bar Stool,
Fiber Chair/wood and metal frames (excluding fabric and leather)**

Global GreenTag^{Cert™} Certification involves detailed assessment of a product's life cycle impacts on human health and the environment. Assessments may take from four weeks up to a year, depending on the complexity of the products, and the availability of full and compliant information from manufacturers and their supply chain, which may be a lengthy process.

A product may pass and proceed to Certification, or fail to pass the requirements and be ineligible for Certification.

A product that successfully passes all assessment requirements will achieve a Certificate identifying the manufacturing facilities Certified, the level of Certification, and the expiry date of the Certification. A product shall not be considered as having met the requirements of the Global GreenTag^{Cert™} Product Standard without providing a current Certificate and appearing on the database of Certified products on www.ecospecifier.com.au and www.globalgreentag.com.

Global GreenTag^{Cert™} is a third party Green Building Council of Australia (GBCA) product rating and Certification system. Global GreenTag^{Cert™} GreenRate Certification is recognised by the GBCA as a Green Star[®] Third Party Product Certification Scheme.

This letter is valid until the 25th December 2017.
