

# E15 AT 3DAYSOF DESIGN

Join e15 during 3daysofdesign in Copenhagen from 10–12 June at the new Magniberg House – part studio, part living space, and a working expression of the brand where the world of Magniberg unfolds.

In collaboration with Magniberg, e15 presents a special installation featuring a new iteration of BACKENZAHN™ by Philipp Mainzer in folded stainless steel.

We look forward to seeing you in Copenhagen.
